

POLICY STATEMENT

QUALITY POLICY

Purpose

To achieve sustained and profitable growth by providing services which consistently satisfy the needs and expectations of its customers.

Scope

The Company's Quality policy applies to all employees.

Policy

Bhugarbho Geo Sciences is committed to provide products and services of the highest quality which fully satisfy our customers. Company always strives to create an atmosphere within organization where Total Quality of services is treated as a permanent feature.

Quality assurance steps would be implemented, monitored and maintained by having a continuing quality improvement programme.

The objectives of the Quality Assurance will be achieved by:

- Create a culture of “Getting it Right – First Time”.
- Maintain an effective Quality Assurance System complying with International geophysical standards.
- Creating an environment which encourages team efforts
- Continuously upgrading our technology to meet customer’s expectations
- Ensure compliance with relevant statutory and safety requirements.
